Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: Claims 1 and 11 are allowable because the prior art of record fails to disclose or suggest or teach the recited support wherein the support, the cap and side wall of the compressor define and sufficiently enclose the inner space of the cabinet, such that the entire side wall portion of the compressor is in contact with the inner space of the cabinet to cool the cabinet and the electrical and electronic components (see claim 1); a substantially horizontal support defining an upper face that contacts and supports the at least one electrical and one electronic component; the cap being connected to the support and the side wall such that the upper face, the cap and the side wall define inner space that is sufficiently sealed to enable the side to cool the inner space to a temperature below the ambient temperature (see claim 11).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mohammad M. Ali whose telephone number is 571-272-4806. The examiner can normally be reached on maxiflex.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl J. Tyler can be reached on 571-272-4808. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
